

### Dates for the Diary

May Day Holiday—Monday 6th and Tuesday 7th May  
(inset)

Elections/school closed to pupils—Thursday 23rd May

May Weekend— Friday 24th and Monday 27th May

Summer Holiday— school closes 1pm Friday 28th June

Parents' Night—Wednesday 15th May

Sports Day—Thursday 9th May

### **Home Learning**

P2 Home Learning should be completed by Friday. P1 Home Learning bags should be returned to school every day.

### **End of Term**

May I please take this opportunity to thank all of the wonderful parents and carers of P2/1 for their fantastic support throughout this year. It has been such a pleasure to teach your children and see them grow in confidence ready for P2 and P3!

Wishing 😊 everyone a great last term and then a relaxing summer.

*R. Bannerman*

# Curricular Information

**Term 4: April—June 2019**

**Teacher: Miss R Bannerman**

**Class: P2/1**

## Literacy

P1 have made wonderful progress with sounds, digraphs and blends. They are now focussing on writing, with a particular emphasis on independent writing. P2 are continuing to progress well across all areas of Literacy and are particularly enjoying writing imaginative stories for their Fairyland topic.

## Numeracy

This term the class will explore how to create a simple bar graph using data they have collected. P2/1 will also continue to explore fractions as they explore how to share objects fairly between friends and learn how to make halves and quarters (P1) and quarters and thirds (P2). Following on from this we will continue to learn how to 'skip count' by 2's, 5's and 10's.

Additionally, the P2's are going to begin looking at multiplication and division. Both groups should continue to practise number formation as much as possible as part of home learning.

## Sciences, Social Studies and Technologies

Primary 2/1's Term 4 topic is "Fairyland". They received a letter from a friendly dragon, asking for their help to make people believe in Fairyland again! Pupils will be reading lots of fairytales, writing their own stories, and creating lots of wonderful things to turn our classroom into a magic Fairyland!

The class are all really enjoying this topic so far!

## Health and Wellbeing

This term P2/1 will continue to work through our PATHS programme. They will be exploring different emotions and learning to identify and share how they are feeling. They will also be exploring what makes us unique as part of SHRE lessons.

**P.E.** Gym days will be on a Monday and Thursday. This term we are focusing on our movement and balance through gymnastics. Please ensure all clothing is labelled clearly with your child's name and that **all earrings are removed.**

## Religious and Moral Education

As a member of a multicultural school and city as a whole, pupils will be encouraged to develop a respect and understanding of world religions and their traditions and beliefs.

This term Miss Lewis will be teaching the children about the festival of Eid, in the lead up to Eil ul Fitr.

## Expressive Arts including:

**Drama:** P2/1 will be using role-play and frieze frames to portray different classic fairytales. They will even act out their own stories!

**Music:** Pupils will learn to identify the different instruments by only their sound.

**Art:** Through our Fairyland topic, the class will be exploring how they can use different materials to create texture in their art work.
