

# August Newsletter

Welcome back to all our returners and a very big welcome to the new children and families who will be joining us over the coming weeks. We hope you all had a relaxing summer and managed to find some sunshine somewhere!

## On-going work

Over the summer a massive amount of work was carried out in the nursery. We have new lighting, windows and have been painted - new carpets and rugs to follow. The work in the school is not yet completed and there will be some disruption in the weeks to come. The school will be using the hall area for gym and assemblies. If you could keep to nursery dropping off and picking up times as closely as possible this would be enormously helpful.

**Morning session: dropping off between 8.45 and 9.15**

**Collecting from 11.30 - children must be  
removed from the building by 11.45**

**Afternoon session: dropping off between 1 and 1.15**

**Children must be off the premises by 4 o'clock.**

Please make sure your child does not run around the hall - children must be supervised at all times. Workmen will also be

in hall and playground for much of the time - please be extra vigilant.

We would like to reassure you that our playrooms are set up and ready for the children returning. Gymnastics and outdoor play will continue as normal. If you have any concerns please speak to a member of staff.

### Dates for your diary

The nursery will be closed on the following days:

Thursday 20 <sup>th</sup> September	In-service day
Friday 21 <sup>st</sup> September	September weekend
Monday 24 <sup>th</sup> September	September weekend

### Outdoor Play

Please ensure your child has suitable clothing for every weather eventuality - we will be going out to play most days. Please apply sun cream before coming to nursery on fine days.

Please do not hesitate to speak to a member of staff if you have any concerns or worries - we want your time at Thornwood to be a happy one.
