February 2012 Newsletter

Help!

The boys and girls in the nursery have loved having An An and Toon Toon to stay and have decided that they would like to help other pandas in the wild by sponsoring a panda through the World Wildlife Fund. They are going to try to raise the forty pounds needed by making and selling panda biscuits. These biscuits will be on sale at home time on Friday 3rd February - priced 50p. Please support the children in their venture.

Gardening Group

This group is now well established and is beginning work on Wednesday 1st February. There will be many more days and we need as much help as we can get so please look at the white board for further dates. No skill is needed - just lots of energy! We are hoping to grow vegetables for the summer.

Collection Times

Please ensure that your child is collected on time each day. There have been a significant number of children collected late each morning and this is making it increasingly difficult for staff to clean the playroom and set up for the next session. We also update the children's profiles and write assessments during this period. **Children must be collected and be out of the building by 11.45 in the morning.**

Planning

You are invited to come and share your child's learning with them during the week beginning Monday 6th February.

Blue group - Monday 6th February

Yellow group - Tuesday 7th February

Green group - Wednesday 8th February (morning only see below)

Red group - Thursday 9th February

Purple group - Friday 10th February

Unfortunately Mrs Lawson will not be available for afternoon parents on Wednesday 8th February - alternative times will be arranged with green group afternoon parents.

If these times do not suit you because of work commitments, we will always arrange a different time - please speak to your child's key worker,
