

Home Learning Week Commencing 04/05/20

Primary 1

Please find below a home learning grid with activities for your child to complete during the forthcoming week. There are **literacy** and **numeracy** activities which can be completed each day along with **other activities** which develop wider skills. Your child can select in which order they wish to complete the activities and should aim to complete them all within the week.

Phonics Sounds to revise this week: p, n, c, k, Try to find three objects in your house that start with each of these sounds. Draw a picture of what you have found and have a go at writing some of the words.	Common Words Words for the week: an, is, the, am, me, my With an adult's help, tip some dry lentils or rice onto a plate. Using your finger, write out your common words.	Reading Choose and enjoy a story book with an adult. Can you make up an alternative ending for the story? Draw a picture to illustrate your new story ending.	Writing Write a list of 5 things that make you smile. Please tweet these to us and spread some cheerfulness!	Talking and Listening Can you make up a silly ending to a nursery rhyme by choosing a different rhyming word? Eg: Humpty Dumpty sat on a ball! Twinkle twinkle little car! What other silly rhymes can you think of?
Number Write the numbers 1-10 in words and digits. Can you go higher?	Number Can you create number bonds for numbers up to 10? You can use part-part-whole to help you. For example: 	Time How many star jumps can you do in 1 minute? Ask an adult in your household to help you keep count. 	Shape Can you draw a picture using 2D shapes of your choice? Tell your grown up the shape names! 	Pattern Think of some animals that have pattern on their skin. Draw and colour some of these animals and label them with their names. 
Modern Languages There are roughly 6,500 languages spoken around the world. We all know how to say "hello" in English, and some of us know it in other languages too. Can you learn how to say "hello" in a new language? 	STEM Can you make a paper airplane? How could you make your plane fly further? Fly faster? Record how far your plane flew, ask an adult to help you with this. Challenge your adult to a paper airplane competition! 	Health and Wellbeing Can you design a healthy packed lunch? Draw a colourful lunchbox full of fruit, veggies and other healthy snacks. 	Health and Wellbeing Let's move our bodies in different ways! Can you copy the movements of 3 animals – for example, slither like a snake, bounce like a kangaroo, leap like a frog? What other animal movements could you do?	Indoor Activity Make a treasure hunt! Hide an object (ask an adult first), and then draw a map to where you hid your 'treasure' and see if an adult can find it!
