

Thornwood Primary School

Home Learning Week Commencing 4/5/2020

Primary 5

Please find below a home learning grid with activities for your child to complete during the forthcoming week. There are literacy and numeracy activities which can be completed each day along with other activities which develop wider skills. Your child can select in which order they wish to complete the activities and should aim to complete them all within the week.

English and Literacy Writing	English and Literacy Handwriting	English and Literacy Film Literacy	English and Literacy Reading	English and Literacy Grammar
<p>Follow the link below. You will be shown a page that includes an image for a story starter to help you create a piece of fiction text. This is a fun activity that you could do with a family member to complete different parts of a story.</p> <p>https://www.pobble365.com/</p>	<p>Copy out your favourite piece of poetry or a paragraph from the book you are reading in cursive handwriting. Remember to use the correct joins and make sure your ascending and descending letters are placed correctly above and below the lines.</p>	<p>Create a poster advertising your movie. Make sure you have included the date and time of the screening. In order to give the audience an idea of what the movie is about, include a short summary – just make sure you don't add any spoilers!</p>	<p>Synonym Hunter</p> <p>Read a chapter of your book from home. Find 5 words that you think could be "upgraded". Can you think of any synonyms that would make it more exciting? To do this you will need a thesaurus, or you can use this link to use an online version:</p> <p>https://www.thesaurus.com/</p>	<p>Come up with two sentences using each of these homophones:</p> <p><u>Mild</u> see, sea</p> <p><u>Hot</u> pair, pear</p> <p><u>Flaming Hot</u> there, they're, their</p> <p>EXTRA: Create a trick to remember which one is which!</p>

<p style="text-align: center;">Numeracy and Mathematics</p> <p style="text-align: center;">Mental Maths</p> <p>Using the link below you can test your number agility by playing countdown. You could compete against a family member and record the results in a table or tally chart.</p> <p>https://nrich.maths.org/6499</p>	<p style="text-align: center;">Numeracy and Mathematics</p> <p style="text-align: center;">Area and Perimeter</p> <p>Using a measuring tape or a ruler measure the length and width of room(s) in your house. Draw a plan of these and measure the area in m² and the perimeter in metres.</p> <p>Area = length x width</p>	<p style="text-align: center;">Numeracy and Mathematics</p> <p style="text-align: center;">Time</p> <p>What time is it right now? Can you use the internet to research what time it is in 6 different countries around the world? Try to think of countries within different continents – some will be ahead in time and some will be behind! Include what the time difference is in hours too.</p>	<p style="text-align: center;">Numeracy and Mathematics</p> <p style="text-align: center;">Multiplication</p> <p>Draw out arrays and groupings for the following multiplication statements:</p> <p>4 x 5 (Mild)</p> <p>7 x 8 (Hot)</p> <p>12 x 6 (Flaming Hot)</p>	<p style="text-align: center;">Numeracy and Mathematics</p> <p style="text-align: center;">Patterns and Sequences</p> <p>What are the rules of these sequences? Can you create your own?</p> <p>50, 47, 44, 41, 38, 35, 32 (Mild)</p> <p>1, 2, 4, 8, 16, 32, 64, 128 (Hot)</p> <p>100, 200, 50, 100, 25, 50 (Flaming Hot)</p>
<p style="text-align: center;">Modern Languages</p> <p style="text-align: center;">French</p> <p>Bonjour! Quel temps fait-il aujourd'hui?</p> <p>Create your very own French weather forecast chart! This can look like the one we have in class OR you can be as</p>	<p style="text-align: center;">Religious and Moral Education</p> <p>As I'm sure you will remember, this term we planned to be learn about Islam.</p> <p>Right now, Muslims around the world are celebrating Ramadan.</p>	<p style="text-align: center;">Music</p> <p style="text-align: center;">Aquarium</p> <p>Listen to the following extract, 'Aquarium', taken from Saint-Saëns' <i>Carnival of the Animals</i>.</p> <p>https://www.youtube.com/watch?v=XCBDIC0N8Rc</p>	<p style="text-align: center;">Health and Wellbeing</p> <p style="text-align: center;">Mindfulness breathing</p> <p>Stand with your feet wide apart and your arms dangling in-front of your body like an elephant's trunk. As you breathe in deeply through your nose, raise your arms up high above</p>	<p style="text-align: center;">Arts and Crafts</p> <p style="text-align: center;">Drawing Tutorials</p> <p>Head to 'Art for Kids Hub' on Youtube and work on your drawing skills! Learn how to draw some of your favourite characters, animals, flowers or emojis.</p>

<p>inventive as you like. However, the weather must be in French.</p> <p>As we all know, the weather in Glasgow is so unpredictable, so you will need to have a selection! If you need a refresher on how to say and write the different types of weather, follow the link below!</p> <p>https://www.youtube.com/watch?v=N_6oSp0GT_oA</p>	<p>Your task is to design an informative poster explaining what Ramadan is and how it is celebrated.</p> <p>You can find information from the following websites, or you can ask family members to help!</p> <p>https://www.bbc.co.uk/bitesize/topics/zpdt/bk/articles/zjc2bdt</p> <p>https://kids.kiddle.co/Ramadan</p>	<p>As you listen to this piece of music – what animals can you imagine living in the aquarium? Do they move quickly or slowly?</p> <p>Can you match any animals to the instruments you hear in the music? What tricks do the musicians use to make you feel like you are underwater?</p> <p>EXTRA: Design your own aquarium while listening to the music.</p>	<p>your head. Then slowly swing your arms down again as you breathe out through your mouth.</p> <p>Repeat 3 times or until you feel relaxed.</p>	<p>Try 3 different drawing challenges and remember to share them with us on the school twitter account!</p>
